POST SCRIPT
giving pharmacy assistants the professional edge

For more than 30 years, *Post Script* has been the must-read publication for pharmacy assistants — no other pharmacy publication has the same authority, reach or influence when it comes to community health, tailored professional development and specialist product knowledge in the Australian market.

Each issue contains comprehensive information on a variety of health issues, including, product updates and launches, a professional credentialed education section, competitions and training modules, plus an expanded and informative Just4U lifestyle section featuring recipes, nutrition advice, book and DVD reviews and also a giveaway page giving readers the chance to win some great prizes!

It's no wonder that *Post Script* is the definitive specialist magazine for pharmacy assistants and the only magazine of its kind in Australia.

NH&B
bi-monthly supplement

Every second month *Post Script* incorporates *Natural Health & Beauty* to educate pharmacy assistant and others involved in this sector about this growing and important market for pharmacies.
